

NHBC Pride in the Job DVD, a judges view (interactive section).

NHBC's Pride in the Job judges use the same marking criteria throughout every stage of the competition. A site can score from 0 to 10 points for each category in the 9 different sections of the competition.

Note: We have excluded Section 9, 'Organisation' from this exercise.

The examples used in the DVD have been marked using the same criteria, as follows:

Unacceptable	(0)	Above average industry standard	(8)
Poor	(1-4)	Very good	(9)
Less than average standard	(5-6)	Excellent	(10)
An average industry standard	(7)		

Using the marking sheet below, mark the examples shown in the DVD by circling the relevant score that you would award.
