

Site Notification and Initial Notice

Site reference no.

NHBC USE ONLY

Section 1. Applicant details

This form should be completed to provide details of a site where quotations for NHBC warranty or products are required, or where you wish to apply for NHBC's building control services. Please submit this form as soon as site details are known. Notification of your intentions at an early stage will help us to meet your requirements. No fees or payments are required with this form. At the very latest the form must be submitted a minimum of 28 days before work starts, or eight weeks before work starts if the site is subject to the hazards in Section 11, or incorporates non-conventional construction methods or materials.

Please complete in black or blue ink using block capitals.

Section 2. Site The address given will be used on all relevant NHBC documentation

Address of site including postcode:

.....

Local Authority in whose area the site is located:

Date work is expected to start on site:

Section 3. NHBC products and services required for this site Please tick as appropriate (see Q15 for associated professional services)

NHBC Building Control (not available in Scotland, Northern Ireland, and Isle of Man.)

Properties that are newly built for:

Private sale (Buildmark Newbuild)

Rental by Housing Associations, Local Authorities or Private Rental Schemes (Buildmark Choice Newbuild)

Properties that are converted from an existing building, or where an existing building forms part of a new property/retained facade for:

Private sale (Buildmark Conversion)

Rental by Housing Associations, Local Authorities or Private Rental Schemes (Buildmark Choice Conversion)

Section 4. Contact details

For technical matters relating to the site

Contact name:

Job title:

Contact number:

Email:

For administration matters relating to documentation/fees

Contact name:

Job title:

Contact number:

Email:

Section 5. Correspondence address If different from that shown in section 1

Correspondence address including postcode:

.....

.....

.....

NHBC, NHBC House, Davy Avenue, Knowlhill, Milton Keynes, Bucks MK5 8FP
Tel: 0344 633 1000 www.nhbc.co.uk

National House-Building Council (NHBC) is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority in respect of carrying on its insurance business and its insurance distribution activities.

NHBC is registered in England and Wales under company number 00320784. NHBC's registered address is NHBC House, Davy Avenue, Knowlhill, Milton Keynes, Bucks, MK5 8FP. Note that only certain parts of NHBC's products and services are within the scope of UK financial services regulation. |---|--|
| High water table or flooding risk <input type="checkbox"/> | Mining (e.g. coal, lead, tin, chalk, salt) <input type="checkbox"/> |
| Soft ground or peat or sulfates <input type="checkbox"/> | Natural cavities (e.g. limestone) <input type="checkbox"/> |
| Made ground or fill <input type="checkbox"/> | Radon <input type="checkbox"/> |
| Proposed, existing or felled trees on clay soils <input type="checkbox"/> | Ground gases (e.g. CO ₂ , methane) <input type="checkbox"/> |
| Steep slopes >1 in 10 <input type="checkbox"/> | Contaminated soils or ground water <input type="checkbox"/> |

Section 12. Site history Please tick as appropriate

Is this a brownfield site? Yes No

If **yes** please specify:

Current use(s): Historic use(s):

.....

.....

.....

Has a site investigation been carried out? Yes No

Please note a site investigation report is required for all sites. Please attach a copy of any reports or evaluations to this application.

Has a contamination investigation been carried out? Please provide a copy of any reports or evaluations Yes No

Section 13. Plans Please submit a plan showing the following, to a scale of not less than 1:1250.
Please tick the relevant boxes to indicate the plan is included with this form

Site location – confirming curtilage of the site and where possible, proposed buildings

Any proposed phasing of the development

Section 14. Building Control For builders and developers in England and Wales only applying for NHBC's building control service, please submit a location plan to a scale of not less than 1:1250

All sections must be filled out for NHBC to serve the Initial Notice

Please ensure you declare any non-exempt ancillary building (**under section 8**), so we can correctly serve the Initial Notice for Building Control services. A non-exempt ancillary building would cover more than 15 square metres, rising to 30 square metres.

Where a local enactment applies, NHBC building surveyors will give advice and complete the relevant section on your behalf.

Section A Person intending to carry out the work ^{1, 2}

Company name.....

Address.....

Phone Number

Email address

Details same as section 1

Section B Client details must be provided if they are not the person intending to carry out the work ^{2, 3}

Details same as section A

Company name.....

Address.....

Phone Number

Email address

Notes

1. If the person carrying out the work is not the client, then you must also complete section B.
2. Any changes must be notified to the NHBC within 14 calendar days.
3. The Client is any person for whom the work is carried out, including as part of their business; often the Client will be the developer or the building owner (e.g. Housing Association).

Section C Highest floor height on the project (measured from ground floor to the highest floor)

Less than 7.5m Less than 11m Less than 18m More than 18m

Section D Sewerage

Connections crossing someone else's land; if you plan to connect a sewer across someone else's land, check that you have a legal right to do so. If you have consent to connect to a private sewer and/or an agreement with the Water Authority for any outfalls, please send NHBC copies of all the relevant agreements. Show the approximate position of the proposed connection to the existing sewer and where possible indicate any proposed sewer for adoption. Please tick the relevant boxes.

I show on the enclosed plan the approximate location of any proposed connection to be made to an existing sewer

I show on the enclosed plan proposals for the discharge of any proposed drain such as surface water soakaway and/or the location of any cesspool or septic tank

I am building over or within 3m of a sewer shown on the submitted plans

Section E England only

Have you had planning approval? Yes No

If yes, do any of the following optional regulations apply?

2015 G2 Water efficiency 110l/p/d If known please confirm plot numbers.....

2015 M4 Category 3: Wheelchair user dwellings If known please confirm plot numbers.....

2015 M4 Category 2: Accessible and adaptable dwellings If known please confirm plot numbers.....

None applicable

I confirm none of the work to which this application relates to is higher risk building work

The following documents are required to enable NHBC to serve the Initial Notice.

I have completed and attach the proforma: **Intended commencement of work declaration**

I enclose the development **connectivity plan** or statement of exemption required under Approved Document Part R (Infrastructure for electronic communications).

Checklist – Have you completed all sections?

All sections must be completed and documents provided to enable NHBC to serve the Initial Notice
